Novaren Extra

The product information is applicable to the product in the recommended solution for use. If information about the concentrated product is required, please see the MSDS.

PRODUCT TYPE Laundry Detergent

APPLICATION

Novaren Extra is suitable for washing white and color-colored fabrics of cotton or polyester / cotton at 40-85°C, in both soft and hard water, in all types of washing machines.

Novaren Extra is suitable for washing heavily soiled work clothes, but not work clothes with delicate reflectors

Remember colored fabrics should always be washed separately the first 2-3 times.

PROPERTIES

Novaren Extra is a highly alkaline powder base detergent.
Novaren Extra is adapted for use with the bleaches Tex Bleach 756 (60–85°C) or Tex Bleach Extra 754 (50–70°C).

Novaren Extra can advantageously be supplemented with the washing booster Tex Booster 755 when washing textiles that are heavily soiled with oil / grease.

STORAGE

Store the product away from direct sunlight in opaque containers. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Powder trickling out onto the floor or onto other containers must be prevented. Keep away from food, drink and animal feeding stuffs
. Always store in containers of the same material as the original container. Incompatible materials: Strong acids, strong bases, strong oxidizing agents, and strong reducing agents.
Storage: -5 - 35 °C
Durability: 36 months.

ECOLABEL The Nordic Eco-label (the Swan Label) – licence no. 5093 0008

SAFETY Please see the enclosed safety data sheet for information about handling and disposal.
For professional users only.

ECOLOGICAL INFO. The product is not bioaccumulating
No evidence for endocrine disrupting properties.
Large amounts of the product may affect the acidity (pH-factor) in water with possible risk of harmful effects to aquatic organisms.

DISPOSAL Product is covered by the regulations on hazardous waste. Dispose of contents/container to an approved waste disposal plant.

INSTRUCTIONS AND DOSAGE

Novaren Extra is a powder base detergent in Novadan Washing System.
Novaren Extra is most suitable for manual dosing.

Dosage per kg dry clothes:
8-12 ml / kg depending on the soiling of the laundry.
When washing extra soiled work clothes, a higher dosage must be expected.

For possible use in hard water ≥ 12°dH, 20-30% extra Novaren Extra is dosed depending on hardness.

100 ml = 1 dl = 100 g
